The "FRIEND" in the McGonigal-Deripaska indictment is Agron Neza, I can confirm. Neza is active in Albania and neighboring countries, and he, McGonigal, and ex-FBI agent Mark Rossini did lobbying work there in 2019.

I've been living this story for over a year. My lawyers deposed Mark Rossini 10 days ago. There's more here, folks.

I deposited Frankel earlier this year and have applied to deposit Rossini. Both worked for Soriano, who is suing me.

Richard Frankel, Mark Rossini, and Charles McGonigal all held senior FBI positions before going to the private sector and working for Russian oligarchs including Oleg Deripaska and Dmitry Rybolovlev.

FBI is investigating group of former agents who became private consultants after leaving FBI.

Some have worked for Russian oligarch Oleg Deripaska thru secretive intel operator Walter Soriano who is abusively suing a @forensicnewsnet journalist via SLAPP
